Next Steps

What's next?

Congratulations, you've successfully completed the Intro to AI-Generated Attacks course! In this course, you've learned about the different types of phishing campaigns and AI-generated attacks. More specifically, you learned to:

- Identify deepfake creations

- Avoid phishing campaigns

- Combat AI-generated attacks

Your learning journey into hacking and generative AI isn't over yet! There are plenty of other topics that you can dive into to continue learning. Here are our recommendations for the next steps:

Introduction to Ethical Hacking

In this course, you will learn what it means to be an Ethical Hacker and practice tools and techniques used to hack ethically.

Learn the Role of and Impact of Generative AI and ChatGPT

Continue your journey into the world of generative AI and ChatGPT and see the role they will have in shaping our future.

Once again, congratulations on finishing Intro to AI-Generated Attacks! We are excited to see what you accomplish next. Happy coding!
